\$25,000 Dollars For A Few Hours Work Doesn't Seem Fair!

\$25,000 Dollars For A Few Hours Work Doesn't Seem Fair!

Are your current debts past due and still piling up? Tired of an income that not only doesn't keep up with inflation, but doesn't even meet your monthly expenses? Then read on. Because I want to share with you **A NEW, SYSTEMATIC PROGRAM FOR MAKING BIG MONEY**. One that doesn't require that you borrow capital to start. A step-by-step program that can begin bringing in an income of up to **\$25,000 IN JUST A FEW MONTHS**. And can continue to bring in that kind of money every month for as long as you care to apply it.

A LITTLE HARD TO BELIEVE, RIGHT?

I realize that learning how to earn up to \$25,000 a month is a bit hard to accept. But please bear with me for a few minutes. Give this page a fair reading. I'll tell you how my money-making program has worked for me as well as for a few people who've tried it for themselves. People who were every bit as disbelieving as you may be right now. I'll also tell you how my program can work for you.

My name is John Chriswell. Please understand that I can certainly appreciate your doubt. In fact, if someone told me that I would pioneer an extraordinary new money-making program that could show you how to earn as much as \$25,000 a month, I would have laughed at him. But two years ago that's exactly what I did. That is a fact. I can prove it.

FROM FLAT BROKE TO A FORTUNE

Just about 3 years ago the bottom fell out from under me. One day, without any warning whatsoever, I was fired. Several months after that I had to file for personal bankruptcy. My wife was pregnant with our second child. I had just \$200 in cash and a beat-up old Ford station wagon. Maybe there are tougher situations to be in; all I know is that I never, ever again want to feel as desperate as I did then.

That's not likely, either. I've seen the last of desperate days. **BECAUSE TODAY I'M A WEALTHY MAN. I DON'T WORRY ABOUT MONEY. I DON'T WORRY ABOUT PROVIDING FOR MY FAMILY. I KNOW I'LL HAVE ENOUGH TO DO THAT IN STYLE.** I just use my program a few times a year, that's all. Last year I activated my money-making program four times within an 8-month period.

The results?
\$25,000 in 21 days
\$52,040 in 43 days
\$106,355 in 67 days
\$122,470 in 120 days

Over \$300,000. That's not bad for an average American guy who barely got out of high school and never had any special training of any kind. But that's the **HARD CASH FACT** of my program: from personal bankruptcy to a whopping bank account of \$300,000.

WHAT'S THE MAGIC SECRET?

No magic involved at all. In fact, it's not really even a secret. My program is best described as a series of very basic observations that have been intelligently organized and then applied to accomplish a specific goal: **TO MAKE A LOT OF MONEY**. The program is perfectly legal. It has never before been published anywhere as far as I can determine; not in any book, newspaper, magazine, or on any radio or television show. I've checked and rechecked. Nowhere have I found anything that even remotely resembles my money-making program.

THIS IS NOT A CHAIN LETTER SCHEME

Or any of that nonsense. It's not a pyramid game or any other phoney get-rich-quick hoax. I wouldn't insult YOUR intelligence or MINE by offering something that would waste your time like those things do. My program has nothing to do with buying or selling real estate. It has nothing to do with the stock market or any kind of investing. There's no door-to-door selling involved. No telephone selling, either. You don't have to depend on "luck" or "chance" — my money making program works when it is properly applied; no "ifs" to it. There is absolutely no gambling involved, not of any kind. Best of all, my money-making program is backed by an Unconditional Money-Back Refund Guarantee.

IT'S AN ENTIRELY NEW PROFESSIONAL WAY TO MAKE A GOOD LIVING THAT CAN CHANGE YOUR LIFE!

That's absolute fact. I know, because it changed mine. When I first applied my program and \$25,000 or more per month began coming in like clockwork, I was practically walking around in a daze. My banker didn't believe it. My creditors — who had long since written me off as a hopeless dead debt — were astounded when I paid off what I owed them. My wife couldn't believe it. The truth is, I had trouble believing it myself. I kept waiting for someone to tell me I had been dreaming. But no one did.

My program can change your life the way it changed mine. No question about it. You apply it part time at first, getting the hang of things and gradually developing a feel for how it works. You don't need any special place to begin working the program either; your home or garage or office is perfectly suited for getting started. You don't have to give up your present job, either. **MY MONEY-MAKING PROGRAM ONLY DEMANDS A FEW HOURS TO GET THINGS MOVING FOR YOU.** It's not complicated. In fact, it's so easy and the rewards so **FANTASTICALLY GREAT** that I'm willing to bet you'll want to leave your present job in two months or less and devote your time to going after **THE REALLY BIG BUCKS** my program can generate for you. **AND YOU'LL PROBABLY WORK LESS THAN YOU DO NOW — AND ENJOY WORKING TWICE AS MUCH!** Because you're not going to be taking orders from anybody. You'll just be applying my money-making program and earning a good living for yourself. That can be a lot of fun. And with the added leisure time and the money to enjoy it; your life is going to change.

But before I tell you anymore about the program, let me tell you how I came to develop it.

GETTING FIRED WAS THE BEST THING THAT EVER HAPPENED TO ME!

I had just come back from lunch. When my boss came by my desk and asked me to step into his office. (I thought my work had finally been recognized: was this the promotion to management I had been hoping for?)

Then his words hit me like a haymaker to the gut: "John, I'm afraid we have to let you go."

I had been with the company seven years. No one had ever had anything to say about my work but absolute praise. I had put in more overtime than the rest of the people around me put together.

All true, said my boss; but there had been budget cuts throughout the company and he had to lay off several employees from his department by the end of the month. I just happened to be one of them. Nothing personal. He was sorry it had to be me, but that was how it was.

THE DARKEST HOUR COMES JUST BEFORE THE DAWN

In short order, every cent my wife and I had saved towards buying our first new home went for monthly expenses. Later, when our savings ran out, I had to borrow to keep the family going while I looked for work. Those debts came due and went unpaid. Finally, on the darkest day of my life, I filed personal bankruptcy papers.

But that day was also a turning point for me: the day I filed for bankruptcy I made a promise to myself. Never again would I let myself be put in such a position. I wasn't going to depend on my loyalty and hard work **FOR SOMEONE ELSE** to keep me from the predicament I was now in. I remember clearly saying to myself: **One Way Or The Other, You Are Going To Be Your Own Boss, Make Your Own Way. And Have Your Own Business.**

MONTHS OF RESEARCH

I began reading everything I could about every kind of business you can think of. I didn't know exactly what I was looking for, but I kept on studying and reflecting on every opportunity I read about.

One afternoon in the Library of Congress I happened to read about several millionaires in California and New York. They had an amazing system for making money in a short time. Of course, there was a hitch. You had to invest hundreds of thousands of dollars to get started. That left me out.

Even so, something about their system kept coming back to me day after day. It nagged at me for some reason. Except for the capital it took to get started, the system was beautiful; anyone could see that. It couldn't fail. But it took so much to get it in operation...

One morning it came to me, suddenly, out of the blue: **YOU CAN MAKE THE SYSTEM WORK WITHOUT A LOT OF MONEY.** I saw a way around the large capital investment; a way the millionaires never thought of because they never had to: they had money. But necessity is the mother of invention and my subconscious had come up with a solution to the money problem. I had stumbled upon a way to eliminate a step the millionaires never had to worry about. The next thought I had nearly knocked me over like a freight train: **IF YOU APPLY THIS STEP-BY-STEP PROGRAM YOU MAY NEVER HAVE TO WORRY ABOUT MONEY EVER AGAIN.**

100% PERFECTLY LEGAL

Within a month I had put my program into operation. Two weeks later I saw the first results. Two months after that I was totally out of debt and had money in the bank. I continued to perfect and fine-tune the program and apply it to my goal of really big money. By the end of my first year I made the down payment on a new home for my family.

Let me repeat: my program is 100% perfectly legal. It's a legitimate, respectable business that can produce up to \$25,000 A Month in Real American Dollars if you apply the money-making program I've developed. And, most important of all, It Doesn't Require A College Education Or Any Specialized Business Knowledge. In fact, my program is so simple that I wouldn't be surprised if after applying it and making money with it for several months, you found a few ways of Your Own to improve it.

BE SKEPTICAL

I realize you're skeptical. You have a right to be. I would be, too; if I didn't already know how well the program works. Because I've seen all the schemes you have, and probably a few more to boot. When you tried them you either wound up working for someone else or had to invest your life savings to get started. Let me reassure you. My money-making program is unique. It works. It is based on several simple observations most people never make. The business you create with it is entirely yours. It's not complicated. It's easy to understand, apply, and operate. And you've never seen anything like it.

HOW HAS MY PROGRAM HELPED OTHERS TO CHANGE THEIR LIVES?

I'll let them tell you in their own words...
"I've just finished reading your new program \$25,000 Dollars For A Few Hours Work Doesn't Seem Fair, and I would like to thank you personally for writing it. I can assure you that your program definitely opened my mind to a whole new field of opportunities."

M.E.G., China Grove, North Carolina
"Mr. Chriswell, I want to commend you on the honesty of your advertisement and the real 'meat' that appears in the program I purchased from you. I can honestly say that of all the many systems I have bought, I feel that you and one other author seem to play it straight right down the middle."

J.E.H., Folly Beach, South Carolina
"John, your money-making program is fool-proof. It's working fantastically for me, and I can't recommend it highly enough. It's so easy, I can hardly believe it; but the proof is in the money that comes in when I activate the program. I can't thank you enough for having decided to share your money-making program with me. It has changed my life."

R.C.S., New York City
And that's only a sampling of some of the comments I've received. But just to put your mind at ease about how good my program is please read the following carefully.

UNCONDITIONAL MONEY-BACK GUARANTEE

If at any time after receiving the materials which explain my money-making program you want to return it, for any reason whatsoever, do so. I'll Send You A Complete Refund Immediately. The check will go in the mail to you within 24 hours. No questions asked, no hassles, no delay. Your money will be cheerfully refunded without hesitation of any kind.

And if that isn't enough of a Guarantee for you, I invite you to do it this way: **POSTDATE YOUR CHECK 30 DAYS FROM NOW.** That will give you plenty of time to look over my program and decide for yourself. If during that time you feel you're not satisfied that my money-making program is everything I've said it is here, return it. I'll send you your check back immediately, uncashed — exactly the way I received it. You will have risked absolutely nothing and it will have cost you absolutely nothing to find out how my method can work for you. You risk nothing, you lose nothing, and it costs you nothing if you decide to return the program. Can you really afford not to return the Opportunity Order Form at the bottom of this page when you have so little to lose and so much to gain?

HOW HAS MY PROGRAM WORKED FOR ME?

In the last eighteen months I deposited over \$500,000 in my checking account. I have the financial statements to prove it. Both my accountant and the president of my bank will verify these figures. I made that money through the application of the same program I've been telling you about here. So why would I want to share the secrets of my success with others; why would I want to tell anyone else how my program works?

WHY AM I DOING THIS?

Simple gratitude. I'm already a wealthy man. I'll continue to apply my program and provide a superb standard of living for my family. We live well. We take the vacations we want and there's plenty of money for the kids education. But I'm not greedy. And I am grateful. My money-making program probably wouldn't work in any other country in the world. But here, because America is still the land of opportunity, I've had the freedom to develop and apply my money-making program **AND SUCCEED BEYOND MY WILDEST DREAMS.** So I want to share it with other Americans. They're the best people in the world. They helped make me rich, and now if any other American wants to become rich with my program he or she deserves the chance to do so. (By the way, if you don't reside in the United States, I won't send my money-making program to you. It's strictly for U. S. citizens.)

YOU HAVE EVERYTHING TO GAIN

Take a few minutes to look over the refund guarantee. Remember that the amount of money I've told you I've made with this program is documented and can be backed up with financial statements. Keep in mind that you can Postdate your check if you like. And that I'll return it if you're not fully satisfied with my extraordinary money-making program. You can have the time to examine my program and decide for yourself. Use the information and put the step-by-step plan into action. I think you'll very quickly see that it's everything I've said it is, and that just by following it you'll be every bit as successful with it as I have been.

But don't put it off. Send the Opportunity Order Form today. You'll receive the program a short time after and be able to put it into operation that much quicker. I'll bet in just a few short months you'll be so glad you did, you'll probably write me a letter thanking me for introducing you to a money-making program that's really changed your life.

Please make your check or money order payable to New Start Publications, Inc.; the publishing company that has agreed to help make my money-program available to you.

THIS OFFER GOOD ONLY FOR A LIMITED TIME!

Supplies of this Money-Making program are limited. Because of this, we can only guarantee delivery of \$25,000 Dollars For A Few Hours Work Doesn't Seem Fair to those readers who respond to this announcement within the next 21 days. This is the ad the Racing Form refused to print!

Winning at the Races May Not Be Your Idea of Fun, But...

Here I sit, trying to write about Larry Voegele. And all the while I'm working and sweating, the guy I'm writing about is out at the racetrack. Not a worry in the world—and probably making more money in a day than I make in a week.

What's his secret? *He knows how to beat the races. Really knows.* Knows so much that he runs a school for handicappers. (It's the only one of its kind in the world. Which is why he was asked to appear on "What's my Line.")

He charges his "students" two hundred bucks apiece. He tells them that if they're not completely satisfied he'll return every cent they've paid, and *nobody* has ever asked for his money back.

What's more, he went on a live radio show and did something that had never been done before. The interviewer really threw it to him: asked him to pick the winners in the 7 races that were being run at Santa Anita, while the program was on the air. Two out of seven would have been good enough to show a profit. Three would have been phenomenal. Larry Voegele picked *five*!

If he'd been at the track betting, say \$20 on each race, he would have picked up a cool \$404 . . . net profit! Not bad for an afternoon's "work."

And all the knowledge that Larry publicly *proved* that day . . . *every* fact that he teaches in his \$200 course . . . is in his book.

If you've never bet on a horse in your life, you'll read and enjoy every word. And end up understanding more than most guys who have been following the ponies all their lives.

If you're an oldtimer, you'll skip the background and get right down to the nitty gritty. If you can forget what you *think* you know, if you have *the nerve—and the discipline*—to follow his methods to the letter, you could make more money than you ever dreamed possible.

Why? Because you'll *know* more than 95% of the people who go to the track — and you're betting against *them*! The money they lose, *you'll* win! The track and the state take their cut, but there's

plenty to go around.

At Santa Anita, for example, over *two million dollars* is bet every day. And it's a statistical fact that only one out of 20 walks out a big winner. You can be one of them!

Larry Voegele doesn't look like a racetrack tout. He's not. He's a college graduate. He was the editor of a newspaper. He was a legislative assistant to a congressman.

He was a stockbroker, working for a major Wall Street firm. *Was* because he found out that investing in horse races was *safer* — and more profitable—than trying to beat the Bulls and the Bears at their own game.

And that's the secret of his book. He approaches handicapping as a *professional*. It's *scientific*. No "hunches." No "tips." No so-called "systems." It isn't even "inside information." Just simple, hard facts. Facts that *anyone* could see if they knew what to look for. In short, if they knew what Larry Voegele knows — and tells in his book.

It'll take you about an hour to read it. Another hour to practice what he preaches.

Then if you do *exactly* as he says, step by step . . . if you don't get reckless or greedy . . . you'll be on your way to the kind of life you want.

Is that worth a 2-hour investment? Because that's all you're risking. Just time. Not money.

Here's why: your check or money order will *not* be deposited for two weeks *after* your copy of the book is mailed. That'll give you plenty of time to receive your book, read it thoroughly, and put the principles into *action*.

If you're not thrilled with what you've gained, just send the book back within 14 days. Your *uncashed* check or money order will be in the return mail! Ever heard of an offer like that? No. But there's never been a book like this either.

As to the price — if you decide to keep the book. Frankly, we didn't know what to charge. It isn't just paper and ink. It's *information*. Facts that dozens of people have paid \$200 to gain—and were satisfied to pay.

But there aren't many people who can afford that kind of money. Even for a sure thing. So what do you think about 10 dollars? That's all—10 dollars. And you have something *better* than a money back guarantee. Because your check or money order won't even be cashed unless—and until—you decide to keep the book because it's worth a *lot* more. Winning at the horse races, traveling first class and living in the best hotels may not be your idea of fun. As for me, I think it sure beats working for a living. See you at the track.
