

# "If I got my man, you can get yours."

Now any woman can get  
the kind of man  
she's always dreamed about --  
no matter what she looks like  
or how old she is!

## The Book MILLIONS of Women Have Been Waiting For!

Have you ever wished there was some magic technique for meeting all the great-looking men you see every day? Well, there is. In fact, there are *hundreds* of techniques. And you'll find every single one of them in the fantastic new bestseller **HOW TO PICK UP MEN!** The techniques in this book are so *effective*... and so *easy* to master... that no matter what you look like... or how old you are... or what kind of figure you have, you're going to learn how to go after and *get* the kind of men you've always dreamed about.

## How To Make The First Move.

Here for the first time ever is a book that tells you something you've always wanted to know: *How to make the first move.* How to approach a man without his getting "the wrong idea." Up until now you've probably let dozens of wonderful, sexy men slip right through your fingers. Because you just didn't think a woman should make the first move. Well, **HOW TO PICK UP MEN** is going to put and end to all that. Because **HOW TO PICK UP MEN** spells out for you — step by exciting step — exactly how to *approach* him and *win* him — no matter how shy or scared or hesitant you think you are.

## He Wants You To Pick Him Up!

Most girls are afraid to make the first move because they think a man doesn't want them to. **NOTHING COULD BE FURTHER FROM THE TRUTH!** Today there are *millions* of great men who are just dying for you to smile at them... to introduce yourself... to say hello. And the amazing thing is, that's all it really takes to get a great relationship going.

## Interviews With 25 Good-looking Bachelors

**HOW TO PICK UP MEN** contains *in-depth interviews* with 25 handsome bachelors — lawyers, doctors, writers, businessmen, professional athletes, etc. They tell you — in their very own words — exactly what it takes to pick them up. Once you read how incredibly easy it all is, you'll wish this book had been written years ago.

*Who ever thought a 36 year old secretary like me would ever get a man who's not only handsome and sexy, but one who treats me with love and respect! Well, I've done it! And I owe it all to your book HOW TO PICK UP MEN. All my life men passed me by because I wasn't born with a beautiful face or a great figure. I was getting to the age when I was losing hope altogether. Then I read your fabulous book. It showed me exactly how to go out and win the man I wanted. This book worked for me. I think it'll work for any woman.*

## About The Authoress.

Nicole Ariana is the secret name of one of the world's greatest lovers. In real life she is a top editor for America's most glamorous single woman's magazine. Nicole is not pretty, not young, and certainly does not have a great figure. Yet, she has discovered an amazing way to meet and win the kind of men most women dream about. Just a few months ago Nicole was dining by herself in the restaurant of a luxurious Hollywood hotel. Across the room she noticed a distinguished executive also dining alone. Most women would have waited for him to make the first move. (And most likely he never would have.) But Nicole, using the amazing techniques you will learn in this book, spent a heavenly, romantic evening with the man. Since that time he has literally *begged* Nicole to marry him no less than five times!
