

The Question is NOT
 "How Does White Mate In Both Of These Games"?
 But Rather
**CAN YOU QUICKLY RECOGNIZE THE SAME
 MATING PRINCIPLE IN BOTH GAMES?**

...And Then
 Quickly
 and Easily
**CHECKMATE
 YOUR
 OPPONENT!**

Principle: QUEEN
 SACRIFICE WITH PIN
 White: Q x BP ch R x Q
 R - R8 ch K - B1
 B - K5 ch R - R1
 R x R Mate
 Black: R x Q

BOBBY FISCHER
Shows You How
In His Challenging Chess Course!

Principle: QUEEN
 SACRIFICE WITH PIN
 White: Q x BP ch R x Q
 R - K8 Mate
 Note: In Both Games
 Black Can Mate In 1
 Move If Given Chance

BOBBY FISCHER, in cooperation with XEROX EDUCATION DIVISION, has produced the most precise, most efficient and fastest method of improving your chess game ever conceived. Bobby Fischer's profound chess knowledge and unique thinking is systematically presented in crystal clear visual terms with computer accuracy. This course is a revolutionary break-through in chess instruction. There is very little to read. There is no chess notation. And you don't even have to use your chess set while you're learning. Virtually every page of this incredible course presents you with a fascinating chess problem that not only challenges your chess ability but instantly rewards you with new insights, new knowledge and new power.

If you love to play chess...and it doesn't matter whether you are just learning to play or have been playing for years... you can look forward to one of the *most enjoyable and most rewarding chess experiences of your life!* Bobby Fischer's Chess Course is truly as incredible as Bobby Fischer himself.

It teaches you to think the same way Bobby does. It reveals mating positions that you may never have dreamed existed. It shows you exactly how to look for, discover and exploit these mating themes in all your games. It teaches brilliant, classic defenses against mating threats... defenses you may never have discovered for yourself no matter how long you've been playing!

As you might well guess, Bobby Fischer's chess course is totally unique and totally unlike any other chess book ever written. He teaches you...literally in minutes... how to look for and recognize basic strategic situations in every game and then how to instantly apply

the proper mating (or defense) tactics.

As you examine the games shown above and look for the correct mating moves, ask yourself the following *vital* question: Do you normally LOOK FOR and READILY RECOGNIZE CLASSIC MATING SITUATIONS... or do you constantly struggle through each and every game searching for the right moves to overcome your opponent...without ever recognizing the similarity of common mating situations?

Bobby Fischer shows you how to recognize these common mating situations. He strips away the confusion of complex play and focuses a brilliant light on basic, easy-to-learn, easy-to-recognize Classic Mating Principles.

You'll be genuinely amazed how often you'll discover instant mating situations *once you've learned what to look for!* You'll be absolutely astonished at how many games you'll win in the future by recognizing and exploiting these same, common mating variations.

The moment you get Bobby Fischer's Chess Course, you will quickly see how it can dramatically improve your chess game whether you are a rank beginner or a strong player. You may also discover, for the first time in your life, exactly how well...or how poorly...you really play chess. But regardless of how you play chess now, **YOU WILL BE A FAR BETTER PLAYER AFTER TAKING BOBBY'S CHESS COURSE!**
