# "Secrets of Advanced Speed Hitting 2.0!"

**How-To-Hit a Man 11 Times or More in 1 Sec or Less, & Explode Into Action BEFORE He Can Blink an Eye!™**

Dear Friend,

Look! I used to train hard. The 4-hour workouts. 7 days a week, every week!

But I didn't start getting real fast hitting speed until I did less- a lot less! It all started when I met the SPEED MAN.

First, let me ask you a question. Have you ever seen a real human move with the speed and deadly agility of a hungry panther on Benzedrine? Well, I have. Here's how it happened.

It was a one day seminar held in Colorado Springs, the home of the United States Olympic Training Center. Most of us had never used SPEED TRAINING before. In fact, some of us had never heard of Dr. La Tourrette! We were a bit nervous about how it would all turn out, but La Tourrette was Great!

It started by the SPEED MAN asking me to hit him. So I did. I threw a right haymaker through his head. He exploded into action just like he was Dirty Harry. His controlled eruption of lightning-fast devastation flowed over me as I tried to scream. In under 2 seconds the SPEED MAN had churned me up and spit me out with a total of 24 nerve-slammings, gonad-bouncing hits. That's when I knew about REAL-GOOD-FAST Speed Hitting. I mean I really knew, because I had felt it.

This SPEED MAN could annihilate me, all my friends, all of us, within seconds and not spill his morning coffee. I have seen him in action. I have been touched by him in a way that sent me flying across the room, and I never even saw his arm move!

It seems hard for me to believe that after all this time in karate and Jiu-Jitsu I could find a teacher who could "wow" me again, but that's exactly what happened.

Anyway, now I have to brag about him a little. I don't mind it, and its necessary-to prove that getting his speed training "stuff". . .

**"Is Going to Be the Smartest Thing You Ever Did!"**

The SPEED MAN is a professional Sports Trainer, has a Ph.D. in Sports Psychology, holds a 10th Degree Black Belt, and he knows to teach SPEED FIGHTING.

**"Over 179,261 People Just Like You have Been Trained In ADVANCED Speed Hitting Secrets!"**

He's written as a professional for Black Belt, Inside Kung-Fu, Soldier of Fortune, Warrior, Kick Illustrated, etc. . . . He's had 19 successful martial arts books published, 39 large training manuals published, 118 special reports published and 367 Martial Art Training DVD's produced.

He's a Master Instructor and he knows how to teach you what speed hitting is all about.

As you noticed above the SPEED MAN...

**"There is TREMENDOUS Power in SPEED and MOMENTUM!"**

**-The Speed Man-**

...gives seminars on SPEED TRAINING, and I'm HONESTLY SORRY-SAD-THAT YOU MISSED THOSE REMARKABLE EXPERIENCES. And you will want to kick yourself in the butt for missing out on those events . . . but a very, very good, very valuable "second best" is available to you:

This is his "new" LARGE BEST SELLER titled simply **"SECRETS of ADVANCED SPEED HITTING 2.0: HOW TO HIT A MAN 11 TIMES IN 1 SEC BEFORE HE CAN BLINK AN EYE!"**

Some of the most advanced "speed fighting" strategies and teachings recorded in print or on DVD anywhere, PERIOD!

## "Starting Smart"

"Dr La Tourrette has brought the mental aspect of martial arts into the 20th century. His texts contain a series of interlocked, easily applied, devastatingly effective technologies. Anyone unaware of these principles is functioning in the Dark Ages, Wholeheartedly recommended!" -STEVE BARNES, FORMER COLUMNIST; BLACK BELT MAGAZINE

"La Tourrette has broken through the stagnant forms of classical & non-workable present-day martial arts. He knows and preaches, as did BRUCE LEE, and MICHAEL ECHANIS. . . win any way you can." -RAFAEL LIMA, SOF MAGAZINE

Thanks to Doc, I beat 3 cage fighters. At a gentleman's club 3 cage fighter's attacked me and my buddy. My buddy wrestled with 1 cage want-ta-bee & I took down both of the others using Speed Secrets, then I helped him. **KYLE HIGGINGS, PORTLAND OR.**

The Doc's Speed Fighting methods are realistic & superior to any I've ever seen. **RAFAEL TORRE, the #1 Bar Bouncer in Hawaii**

"I don't want to be mean, but knowing Speed Hitting, if I have to be mean, I now really do know how. My self-confidence escalated a full 100 points. Thanks. Doc." -**BRIAN YOUNG, MEDFORD, OR**  
 "Doc, I made an order out of Black Belt magazine. I ordered your SPEED HITTING. Since then I have been clocked at 16 hits

It is crammed full of really meaty, powerful speed strategies. . . Jittle-known...lost secrets...information. . . blunt talk. . . real value. This is a highly impactful best seller, and you get all of it for \$19.97 to cover S&H if you order within 21 days.

This material took 29 years to research and compile. It cost us more than \$122,781 in courses. Your investment, **NOW is just \$19.97 S&H (\$29.97 foreign)**

## "This Is an Unbelievable Bargain"

Why? Well, I'll tell you what I'm really up to. What my sneaky ulterior motive is. Sometime soon the SPEED MAN is going to put on more seminars and release his newest projects. . . and he wants to INSURE that there'll be A LOT OF PEOPLE very, very eager for what's coming. That's it, that's why I am giving away this course for Free (I just need your help with the S&H)

The best way to do that is let you see, study, and absorb some of what you've already missed. . . the best SPEED HITTING skills you can own without holding a gun in your hand.

Advanced Speed Hitting Doesn't Require a "black belt," nor a martial arts education.

Advanced Speed Hitting doesn't require lots of money. You don't need hundreds of bucks' worth of equipment.

It doesn't require "luck." I've had more than my share, and I'm not promising that you'll get as 'fast' as the SPEED MAN is. **YOU MAY GET FASTER!** Some of his students have.

But Speed isn't everything. Winning is what counts!

It doesn't require "talent." Just enough brains to know what to look for. And La Tourrette will tell you that.

It doesn't require "youth." One of our clients is 67 and he's pounding 20-year-olds. Another is only 14 and is easily beating black belts in tournaments.

It doesn't require "experience." Some of our fastest people are only beginners.

What does it require? BELIEF. Enough to take a chance. Enough to absorb what the SPEED MAN will send you. Enough to put the principles into action. If you do just that, nothing more, nothing less-the results will be hard to believe.

**I GUARANTEE IT.**

You don't have to give up your current lessons. But in 6 weeks **you'll have improved so much your present instructors are going to be jealous.** Once again - I guarantee it.

The SPEED MAN told me something I never forgot. "Most karate people are too busy sweating to get real fast, or real street-smart." Don't take as long as I did to find out La Tourrette was right.

I'll prove it to you, if **you'll just help me out with the S&H I'll send you this \$973.00 Advanced Speed Hitting Course for FREE, and you'll know for yourself.** I'm not asking you to "believe" me. **JUST TRY IT.** If I'm wrong, all you've lost is a couple minutes of your time and you still get \$973 bucks worth of secrets for **FREE.** But what if I'm right?
