

WRINKLES

by Marie Davant

New York:—Chemical science has found a white substance made with quicksilver that works wonders on wrinkled, roughened face and hands. Use it one time and it is entirely possible you will see improvement next morning. In a few days dry-skin wrinkles start to vanish. Many of the small ones around the eyes and mouth have already disappeared. But that is not all! "Old-Age" (weathered) brown spots on hands and arms — brown "age" darkness on surface of face and neck fades away! Rich oils lubricate pores so blackheads can slip out without squeezing. Surface pimples and blemishes and

scars, outwardly caused, dry up or become less noticeable! But don't take my word for it. Make a 6-day test without risking one penny. Just get a jar of Peacock's Imperial Creme at your favorite department or drug store. Use this thrilling cream for 6 days—and if you are not delighted with results, full price will be refunded. No questions asked. Peacock's Imperial Creme can work wonders for wrinkles, lines, brown spots and other weathered blemishes. You may obtain Imperial Creme for \$2.00 plus tax
