Fat Magnet ingredients were developed by medical researchers. The Capsule contains no drugs whatsoever and it's **100% natural, safe and effective**. Its key ingredients are derived from citrus pectin skin, a medium-sized fruit tree in the Rutaceae (citrus family). It is thought to have originated in the Caribbean as a cross between a pomelo (C. maxima) and a sweet orange (C. sinensis); and is now grown and cultivated in many tropical, semi-tropical, and warm temperate regions of the world.

Why the citrus pectin skin extract? For years it was a widely held belief that extract from the skin fruit tree had magical properties. When a person ate a small amount of this unique citrus fruit, they would miraculously lose weight! The researchers investigated this phenomenon and discovered, through sophisticated testing, the citrus skin extract did indeed cause the human body to bring about rapid weight-loss.

In addition, this remarkable citrus pectin tree extract plant gives you a feeling of fullness so you're not hungry while your excess weight comes tumbling off.
