

You Can Have Golden Tan 'In Minutes'

Safe—No Sun Necessary for Tan

HOLLYWOOD, CA (Special)—Now you can instantly have a glamorous golden bronze "tan in minutes" that will make you look healthier all year round without exposing your skin to the harmful rays of the sun by simply applying an amazing new tanning lotion to your skin called "Minute-Tan."

Light, Medium or Dark Tan

It's easy to apply. You can instantly give your face and body a natural looking light, medium or dark tan, just as you desire and "it will last for weeks." It is 100% safe with no harmful side effects.

Minute-Tan is now being sold nationally to both women and men of all ages who have reported achieving a glamorous tan and at the same time enjoying smoother, softer looking skin while helping to avoid the risk of skin cancer, wrinkling or premature aging of your skin due to sun exposure.

Look Years Younger

Reportedly, your skin will "instantly" have a healthy, athletic and younger look. Your friends and others who see you will think you have just returned from a tropical vacation. It looks so natural no one will guess your secret.

Unlike other skin tanning products and pills, this new instant tan lotion does not stain or rub off on clothing or wash away when you shower. It will not discolor or cause streaks and blotches as other tan products have done in the past.

Also Protects Against Sun

In addition, the all-new tanning lotion has numerous side benefits. It acts as a sun-blocking (sunscreen) that helps block the threat of skin cancer if you do expose yourself to the sun and contains natural nutrients including Vitamin E, Aloe and the latest skin care miracle Retinyl-A.

It's a soothing lubricant-moisturizer that also relieves dryness and itching while softening and smoothing the skin. It helps to hide ugly cellulite, stretch marks and wrinkles. There has never been anything like it before.

Psychologists agree that a tan makes you feel better about yourself and gives you a feeling of self-confidence and a warm, healthy and friendly "aire of success" when dealing with people either socially or in business.

DOCTORS INVENT

'Lazy Way' to Lose Weight

U.S. Gov't. Patent Approves Doctors Claims—Diet Pill Sweeping U.S.

BEVERLY HILLS, CA (Special)—An amazing new weight loss pill called "fat-magnet" has recently been developed and perfected by two prominent doctors at a world famous hospital in Los Angeles that reportedly "guarantees" you steady fat loss and calorie reduction by simply taking their tested and proven new pill.

The U.S. government has just approved the doctors claims for a hard-to-get patent that confirms "there has never been anything like their fat-bonding pill process before." It is a totally new major scientific breakthrough and is revolutionizing the weight loss industry.

You Can "Eat Normally"

Best of all, "you can continue to eat your favorite foods and you don't have to change your normal eating habits. You can start losing fat and reduce calories from the very first day, until you achieve the ideal weight you desire without exercising".

Flushes Fat Out of Body

The new pill is appropriately called the "fat-magnet" pill because it breaks into thousands of particles, each acting like a tiny magnet, "attracting" and trapping many times its size in undigested fat particles. Then, all the trapped fat and calories are naturally "flushed" right out of your body because they cannot be absorbed.

Within 2 days you should notice a change in the color of your stool, caused by the

fat particles being eliminated.

According to one of the inventors, Dr. William Shell, heart specialist and associate professor of medicine at UCLA medical school, "the new fat-bonding process is a "lazy way" to lose weight because the pills alone "automatically" reduce calories by eliminating dietary fat. It is 100% safe and not a drug."

"Automatically" Lose Fat

The fat-magnet pills are already sweeping the country with glowing reports of weight loss from formerly overweight people in all walks of life who are now slimmer, trimmer and more attractive again.

Now Available to the Public

If you are trying to lose 20, 50, 100 pounds or more, you can order your supply of these "no-risk" highly successful fat-magnet pills directly from the doctors' exclusive manufacturer only (includes optional calorie-reduction plan for even better results). Send \$20 for a 90 pill supply (+\$3 handling), or \$35 for a 180 pill supply (+\$3 handling), to: Fat-Magnet, 9016 Wilshire Blvd., Dept. W553, Beverly Hills, CA 90211. **(Unconditional money-back guarantee if not 100% satisfied.)** Visa, MasterCard and American Express OK. (Send card number, expire date, and signature.) AWARDED U.S. Gov't. Patent

New Discovery Stops Dog and Cat Scratching, Itching

Los Angeles, CA (Special)—An amazing new natural food supplement formula for dogs and cats has recently been scientifically developed and perfected that "guarantees to eliminate and control scratching, itching, skin sores, bald spots, and flea dermatitis" by simply mixing or pouring a small quantity of the supplement on your pets meal once a day. Dogs and cats love the taste.

The new scientific breakthrough was extensively laboratory and clinically tested on hundreds of animals in a 4-year study with a spectacular success ratio. Reportedly, the test results proved that it works wonders on 9 out of 10 dogs and cats and is 100% safe.

According to the manufacturer, it is now being sold nationally and is already sweeping the country with glowing reports of success from grateful pet owners whose dogs and cats no longer suffer from constant, chronic itching, chewing and licking their irritated skin until it is raw or bald. It also helps prevent flaky skin and excessive shedding. It clears rashes and sores caused by fungus and flea bites.

Works "5 Times Faster"

The all new formula is called

"STOPit"TM. There has never been anything like it before and it has been awarded a U.S. government patent (No. 4572915). STOPit is remarkably more effective than any other product because it contains Omega 3 marine and fish oil lipids in a patented water soluble form that enters the digestive tract and bloodstream "5 times faster". This process quickly nourishes the skin glands in the affected area to produce soft, supple skin that eliminates the irritation and scratching due to fleas, dryness and flaking. The formula is non-inflammatory and also contains vitamins A and E plus zinc and minerals which are known to be essential nutrients for healthy skin and a lustrous haircoat. It is low in calories and cholesterol free.

Now Available for Dogs and Cats

If you want to give your dog or cat total relief from scratching, itching and skin irritation and overall improved health at a fraction of what it would cost for treatments at an animal clinic, you can now order a large 8 oz. bottle of "STOPit" directly from the manufacturer only.
